

Frank Allen

Director, Property Markets, Property Risk
CIB Real Estate
Westpac Institutional Bank

Frank joined Westpac in 2000 to assess current trends in the commercial property markets and formulate a house view around the future market risk in the various markets around Australia. Frank works closely with Westpac Economics to understand the economic outlook, which underpins his forecasts.

Frank started his property research career in 1983 with Richard Ellis in London, before moving to Australia in 1988. Here he has worked in various research roles for the leading real estate agencies of JLL, CBRE and prior to joining Westpac was Head of Asia Pacific research for Colliers.

He has been a member of both the Royal Institute of Chartered Surveyors and the Australian Property Institute. He holds a BA (Hons) in Business Studies from the University of Westminster and a Graduate Diploma in Applied Finance and Investment from The Securities Institute.
