

## Antony Green

Chair of Real Estate, ANZ  
Macquarie Capital

Antony's corporate advisory experience spans over 30 years, specialising in advising clients on real estate related transactions covering M&A, equity and debt capital markets and structured finance. With 20+ years at Macquarie, Antony led the global expansion of Macquarie's real estate advisory and capital raising business – growing to a team of real estate specialists located in Australasia, UK/Europe, North America (US and Canada), Asia (HK/China, Japan, Singapore, India, Korea) and the Middle East.

Prior to joining Macquarie, Antony was with JP Morgan, overseeing the establishment and led its specialist real estate investment banking capability across the Asia-Pacific region (ex-Japan).

Some transaction highlights:

- Lendlease on its 2024 strategic review and divestment of 12 master planned community projects for A\$1.3 billion.
- HMC Capital on its DigiCo Infrastructure REIT A\$2.0 billion IPO and various raisings for HMC Capital, HomeCo Daily Needs REIT an Healthco Healthcare and Wellness REIT.
- Qualitas on its A\$355 million IPO.
