

Michael Wood

Executive Chair & Founder
Madigan Capital Pty Limited

Michael is one of Australia's most experienced real estate debt investors and investment managers, having successfully established and led organisations and functions operating in the commercial real estate debt, construction and institutional funds management industries across Australia/Asia Pacific, North America, United Kingdom and Europe over the past thirty-plus years.

Michael is the Founder and Executive Chair of Madigan Capital, a leading Australian commercial real estate debt investment manager and lender, focused on developing and executing on high-quality real estate debt investments on behalf of sophisticated local and offshore institutions. Madigan manages more than AUD2bn on behalf of domestic and international institutional investors.

Prior to establishing Madigan, Michael co-founded Quadrant Real Estate Advisors LLC a United States based SEC Regulated investment management firm that at the time of his departure managed more than US\$12bn of institutional client capital invested in the United States, Australia and Europe.
